District/Satellite offices

This policy memorandum expands the functions of a Designated Airworthiness Representative (DAR) and Organizational Designated Airworthiness Representative (ODAR) as outlined in Order 8130.28, Airworthiness Designee Management Program. The DAR/ODAR functions are modified to include the domestic issuance of a FAA Form 8130-3, Airworthiness Approval Tag. Based on this policy memorandum, Advisory Circular 183-35G is being modified to add this function to code 08 for manufacturing and 23 for maintenance DARs.

This change will be incorporated in the next revision to Order 8130.28, and has been coordinated through the Manufacturing Inspection Management Team.

If there are any questions, please contact a member of the Production and Airworthiness Certification Division, AIR-200, at (202) 267-8361.
